Hello Again – Neil Diamond

POEM

An Ode to the Strong Woman Read by Angela

You are a warrior, a fighter, a queen,
With a heart of gold and a spirit so keen.
You have overcome obstacles, faced every fear,
And shown the world what a woman can do here.

You are a wife, a mother, a friend,
With a love that knows no limits or end.

You are a leader, a trailblazer, a guide,
With a grace that shines from the inside.

You are a flame, a spark, a light,
That illuminates the dark with your might.

You are a rose, a lily, a bloom,
With a beauty that will forever loom.

So here's to you, amazing woman of grace,
With a smile that warms and a soul that shines in place.

You are a treasure, a gem, a work of art,
And in your presence, we feel so full of heart.
