SECOND READING  
English Translation

Under this sky Em and Em - by Fatima Romero Ayala  
Read by Fatima Romero Ayala - Mother of the Groom

*Under this sky Em and Em  
Love has united them  
In a knotless bow.  
It will expand  
Light and perfect.  
And in the dance of time,  
Of mirific encounters,  
Ritualize the thirst  
Of being together forever.*

Thank you so much for joining us on our special day
