### You Are Not Alone

*Michael Jackson*

Another day has gone  
I'm still all alone  
How could this be?  
You're not here with me  
You never said goodbye  
Someone tell me why  
Did you have to go?  
And leave my world so cold  
Everyday I sit and ask myself  
How did love slip away?  
Something whispers in my ear and says

That you are not alone  
I am here with you  
Though you're far away  
I am here to stay  
But you are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
But you are not alone
