Song

You Are Not Alone

Michael Jackson

Another day has gone
I'm still all alone
How could this be?
You're not here with me
You never said goodbye
Someone tell me why
Did you have to go?
And leave my world so cold
Everyday I sit and ask myself
How did love slip away?
Something whispers in my ear and says

That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
