## **THE REGISTRATION OF THE MARRIAGE | LA REGISTRAZIONE DEL MATRIMONIO**

*On this 16th day of the month of November in the year 2024, in a room open to the public in the Wedding Hall of Relais Fontevivo, before me, Mr Luciano Fantin, Registrar of the Wedding Hall of Relais Fontevivo with the authority vested in me by the Mayor of Fontevivo have hereby come to stand before me in person: Matteo Delucchi, born 23 February 1989 in of Fidenza, Italy and Yasmin Naja, born 25 February 1993 in Bromley, England, who have asked me to unite them in matrimony and to this effect, they have presented me with documents prepared as verbal statements containing the declarations that will be filed in this register together with the documents produced. Upon examination of all the afore-mentioned documents, I see no impediment to this marriage and I have read Articles 143, 144 and 147 of the Civil Code to the bride and groom, and I have asked the Groom whether he will take Yasmin here present as his wife, and I have asked the Bride, whether she will take Matteo here present as her husband; and each having responded in the affirmative of their own free will and to the full understanding of the witnesses, I have thus declared them united in matrimony. The following witnesses were present at this Act of Marriage: Valerio Delucchi born in Borgo Val Di Taro on 27 June 1958 resident in Fidenza and Nicola Silvi born in Jesi on 25 August 1990 resident in Milan. I communicated the afore-mentioned Articles from the Civil Code to the Bride and Groom. I asked each of them whether they wish to be joined in matrimony and I communicated to each of them their respective affirmative answers, upon which followed my declaration of having united them in matrimony.*

Now, the declaration will be duly signed by all, including by the two witnesses.

Congratulations to the newly married couple!
