WELCOME

Silent, Strong Dad & Grandad

Karen K Boyer

*He never looked for praises.
He was never one to boast.
He just got on quietly working
For those he loved the most.*

*His dreams were seldom spoken.
His wants were very few,
And most of the time his worries
Would go unspoken, too.*

*He was there...a firm foundation
Through all our storma of life,
A sturdy hand to hold onto
In times of stress and strife.*

*A true friend we could turn to
When times were good or bad.
One of our greatest blessings,
The man that we called Grandpa
and Dad*

Father in Heaven

Our Hero

You held our hand when we were small
You caught us when we fell
You are the hero of our childhood
And our later years aswell

And every time we think of you
Our hearts still fill with pride
Though we will always miss you dad
We know you're by our side

In laughter and in sorrow
In sunshine and in rain
We know you're watching over us
Until we meet again.
