

Romans 12:10-12

Love each other with genuine affection, and take delight in honoring each other. Never be lazy, but work hard and serve the Lord enthusiastically. Rejoice in our confident hope. Be patient in trouble, and keep on praying.

First Hymn

God will Make A Way

God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me
He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

By a roadway in the wilderness, He'll lead me
And rivers in the desert will I see
Heaven and Earth will fade
But His Word will still remain
He will do something new today

God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me
He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

Oh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me
He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

With love and strength for each new day
He will make a way, He will make a way

Second Hymn

Cornerstone

My hope is built on nothing less
Than Jesus blood and righteousness
I dare not trust the sweetest frame
But wholly trust in Jesus name

My hope is built on nothing less
Than Jesus blood and righteousness
I dare not trust the sweetest frame
But wholly trust in Jesus name

Christ alone, Cornerstone
Weak made strong in the Saviour's love
Through the storm, He is Lord
Lord of all

When darkness seems to hide His face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil
My anchor holds within the veil

When He shall come with trumpet sound
Oh may I then in Him be found
Dressed in His righteousness alone
Faultless stand before the throne
Christ alone, Cornerstone
Weak made strong in the Saviour's love
Through the storm, He is Lord
Lord of all
