Words from the spirit guide-Silver Birch
Do not grieve for those to whom freedom has come,
Do not mourn because the caterpillar has become a
 beauteous butterfly,
Do not weep because the cage has been opened and
 the bird has been set free,
Rejoice, and know that the soul has found liberty.*

The Fifth Season

In the spring of life,
in the flower of youth ,
everything is bright and new.

In the summer of life,
time of growth and change,
each day brings new dreams to pursue.

In the autumn of life,
there's a settling down-
contentment and sureness in what we do,

In the winter of life,
comes peace and wisdom,
time to relax and reminisce, too.
But with the passing of these seasons,
life is still not done, not through,
For there is yet another season,
when each spirit is renewed.

And it is in this calm fifth season,
in this hopeful second spring,
A time of cleansing and rebirth,
a time of new awakening,
Each person's life will come full circle
even as the seasons do
To start another, different life,
much better than the one we knew.
