## Welcome and Introduction

By Chris Berry

Poem: When Tomorrow Starts Without Me

Read by Charmaine

When tomorrow starts without me  
And i'm not here to see  
If the sun should rise and find your eyes  
All filled with tears for me  
I wish so much you wouldn't cry  
The way you did today  
While thinking of the many things  
We didn't get to say  
I know how much you love me  
As much as i love you  
Each time that you think of me  
I know you'll miss me too  
When tomorrow starts without me  
Please try to understand  
That an angel came and called my name  
And took me by the hand  
The angel said my place was ready  
In heaven far above  
And that i would have to leave behind  
All those i dearly love  
But when i walked through heaven's gate  
I felt so much at home  
When GOD looked down and smiled at me  
From his golden throne  
He said this is Eternity  
And all i promised you  
Today your life on earth is done  
But here it starts a new  
I promise no tomorrow  
For today will always last  
And since each day's the exact same way  
There is no longing for the past  
So when tomorrow starts without me  
Do not think we are apart  
For everytime you think of me  
Remember i'm right here in your heart.
