

Thank you, with all our love xxx

Matilda & Archie | 07.09.2024

Without you it would've been a ritual,
a kiss and a ring in a room.

Without you, it would've been formal,
a function with a bride and groom.

Without you it would've been meaningless
barely worth the time and stress
but with your gift it was magical

We hope you know that you're the best...

We love you and we thank you for thinking of us on our
special day.
