### *For My Wife*

I cried when you passed away,  
I still cry today.  
Although I loved you dearly,  
I couldn't make you stay.  
A golden heart stopped beating,  
hard working hands at rest.  
God broke my heart to prove to me he only takes the best.  
Keep this rose going for anyone in heaven that you've loved and lost  
and keep in your heart.

Love Jason

### *Our Sister*

One day it happened,  
In a blink of an eye,  
so sadly her life ended,  
without a chance to say goodbye.  
She was such a happy girl,  
with a beautiful smile.  
without a care in the world,  
she made it worthwhile.  
She made everyone think and played with their mind,  
she gave a quick wink as their faces shined.  
The sisterhood has gone with smiles and good times,  
no partner to sing our songs.  
No best friend to sing our rhymes.  
For her day had come to fly off to heaven and visit our mum,  
in a happy haven.  
She left us all without a goodbye kiss,  
she was the kind of girl, the one we will miss.

Love June & Wendy

### *Heartfelt Memories of My Daughter*

Heartfelt memories of a daughter whose love was sweet and pure, to lose someone so precious is a pain that's hard to endure. You were the jewel in our hearts you were loved in every way. Now you've gone, you're truly missed each and every day.

You always brought the sunshine and you brightened up our world, spreading happiness and kindness since you were a little girl. Daughter, life is not the same now you're no longer here, but our love for you is still strong and will remain year after year.

Love Dad

The Family would like to thank you for your kind support during this time of sadness.
