**D a d I n H e a v e n
although you sleep in heaven now
youre not that far away,
my heart is full of memories
and youre with me everyday.
you lived your life with meaning,
and with a smile upon your face.
a world that was full of happiness is now a empty place.
people say that only time,
will heal a broken heart.
but just like me and you, dad
it has been torn apart.
i know you are at peace now
and in a place where you are free.
meet me at the pearly gates
when heaven calls me.**

Memories Of Scott

Reflection song- When We Were Young By Adele

Poem Written By Chloe

***you was a man of many feelings and many opinions too,
you wasnt afraid to speak your mind
even if it caused a argument or two,
but you was loved ever so deeply
by each and every one of us hear today.
as we lay you down at rest
i hope now peace has found your way
may you rest easy here today
and free of all your pain.
words cant describe the feelings we feel today so for now
as nan would say goodnight and godbless,
we will see you again some day.***
