Thank you so much for joining us and for helping to make our day so special- we really appreciate it.

We had an absolute blast, and we hope you did too!

There was a lot of dancing, the gin was hit pretty hard and we believe there were a few sore heads the next morning!

We are hopefully looking to get away at some point next year for a long awaited honeymoon, but trying to work out how to fit it in around studying, working, looking after Fozzy and running around after Toby.

Hopefully we will get to catch up again with you soon.

Lots of love

P.S. Apologies for the late card, we wanted to wait until the photos and video had come back to us, and our lives have been pretty hectic since the wedding.

Also we blame the postman.....he must be called Pat

Here's the QR code for the wedding video - ENJOY!
